OAUG News Release

OAUG Announces 2007 Participants in Star Partner Program

- Program provides additional opportunities to connect with Oracle users-

ATLANTA - March 7, 2007 - The Oracle Applications Users Group (OAUG), the world's largest user knowledgebase for Oracle Applications users, announced the 2007 list of associate member organizations that are participating in the OAUG Star Partner Program.

Program participants include: Cognizant Technology Solutions and Noetix Corporation as Five-Star partners; ADP Taxware, Bottomline Technologies, HP, LogicalApps, ReadSoft and Solution Beacon LLC, as Four-Star partners; and Aquire, Core Services Corporation, IBM, Image Now by Perceptive Software and Optimum Solutions as Three-Star partners. In addition, 34 organizations are participating in the program at the Two-Star and Rising-Star levels.

All of the 2007 program participants will be exhibiting at COLLABORATE 07: Technology and Applications Forum for the Oracle Community, April 15-19, at the Mandalay Bay Resort and Convention Center in Las Vegas.

Associate members in the OAUG's Star Partner Program support the organization's global mission of providing Oracle Applications users with the tools required to enhance their productivity, maximize their investment and influence the quality, usability and support of Oracle Applications. Oracle E-Business Suite, Oracle Retail, PeopleSoft, Siebel and other acquired Oracle Applications users benefit from access to an additional knowledgebase of solutions provided by associate members.

The program exists to provide OAUG associate member organizations with an active, integrated way to participate in the OAUG community. The program combines membership, advertising and conference benefits into value-priced packages that deliver benefits ranging from advertising opportunities to increased conference visibility.
