OAUG News Release

Oracle Applications Users Group Announces Best of COLLABORATE 13 Webinar Series

- Offers access to more than 30 highly attended conference presentations from COLLABORATE 13 – OAUG Forum -

ATLANTA – July 30, 2013 - The Oracle Applications Users Group (OAUG), the world's largest user knowledgebase for Oracle Applications users, announces the Best of COLLABORATE 13 – OAUG Forum, a webinar series offered to OAUG members from Aug. 19-30.

The virtual OAUG eLearning series features the most popular conference presentations from the COLLABORATE 13 – OAUG Forum held in April 2013 for those who were unable to attend the conference or those who attended but want a refresher on some of the top presentations. Participants benefit from the virtual learning delivery and convenience of the program, which features sessions from a number of the conference educational tracks. Attendance is free to all employees of OAUG member organizations, but advance registration is required.

Presented live via webinar, the 34 sessions are hosted by Oracle Applications users, Oracle employees and industry experts on how to improve Oracle Applications practices essential to member businesses. The Best of COLLABORATE 13 – OAUG Forum titles include *Record History and Other Personalization in R12 Oracle Applications Framework (OAF), Oracle E-Business Suite Future Directions: Deployment and System Administration, Implementing a Global Tax Solution - Case Study from a Large Global Implementation*, among others.

A public session on August 28 covers a range of options for personalizing and extending existing Oracle E-Business Suite Applications. "Personalize and Extend Oracle E-Business Suite Applications" is free for anyone in the greater Oracle users community. Space is limited, and advance registration is required.

"Members who join the OAUG do so because they care about further educating themselves for the sake of their businesses, and it is our goal to facilitate timely and relevant opportunities for learning," said Margaret Wright, president of the OAUG. "The Best of COLLABORATE 13 webinar series offers participants testimony and instruction from Oracle experts on issues most experienced by users."

Recorded sessions are available for OAUG members following the conclusion of the series. Archived 2012 sessions are also available on the OAUG eLearning website.

About the Oracle Applications Users Group (OAUG™)

Founded in 1990, the Oracle Applications Users Group (OAUG) is the world's largest user knowledgebase for Oracle Applications users. The organization serves as an advocate to Oracle Corp. for companies worldwide and represents users of more than 65 Oracle Applications products including Oracle Fusion Applications, the Oracle E-Business Suite, Oracle's Agile, Oracle Hyperion, Oracle's Primavera EPPM, Oracle Communications, Oracle's Customer Experience including Oracle CRM On Demand and Oracle's Siebel CRM and others. The OAUG provides its members with education, networking and support via a wide range of activities and forums including conferences, publications, special interest groups and online communities. For more information about the OAUG, visit the website at oaug.org.
