OAUG News Release

Oracle Applications Users Group Seeks Presenters for COLLABORATE 14 – OAUG Forum

- Invites presentation submissions covering applications, technology and professional development-

ATLANTA, Sept. 5, 2013 – The [Oracle Applications Users Group \(OAUG\)](#), the world's largest user knowledgebase for Oracle® Applications users, announces the opening of the call for presentation proposals through Oct. 4 for the [COLLABORATE 14 — OAUG Forum](#), part of COLLABORATE 14: Technology and Applications Forum for the Oracle Community, held April 7 – 11 at The Venetian and Sands Expo Center in Las Vegas.

The OAUG is seeking presentations for its OAUG Forum to cover compelling issues associated with applications, technology and professional development for users of the Oracle E-Business Suite, Oracle Fusion Applications, Oracle Hyperion, Oracle's Primavera EPPM, Oracle E-Business Suite Extensions for Oracle Endeca, and Oracle Customer Experience and CRM. These sessions will be included within COLLABORATE's extensive itinerary of more than 1,000 education sessions and 23 educational tracks featuring presenters' real-world experiences with Oracle products.

The COLLABORATE 14 — OAUG Forum is designed for and by users to explore and answer frequent challenging Oracle-user questions. A panel of applications experts and users, special interest group (SIG) leaders, product specialists and Oracle product development representatives will address these user challenges through a mix of education sessions, keynotes, hands-on training and networking opportunities.

“The COLLABORATE 14 — OAUG Forum helps Oracle Applications users strengthen their Oracle knowledgebase through the various training sessions facilitated by Oracle customers, industry experts and Oracle employees,” said Margaret Wright, president of the OAUG. “Every year we look forward to providing quality education sessions available exclusively at this event to give users the opportunity to gain insight and optimize their user experience through high-impact, specialized training and valuable networking opportunities.”

The call for papers for COLLABORATE 14 — OAUG Forum is now open through Oct. 4. The OAUG presents COLLABORATE 14 in partnership with the Independent Oracle Users Group (IOUG) and Quest International Users Group (Quest).

For more information regarding the conference, visit the [COLLABORATE 14: Technology and Applications Forum](#) website.

About the Oracle Applications Users Group (OAUG[™])

Founded in 1990, the Oracle Applications Users Group (OAUG) is the world's largest user knowledgebase for Oracle Applications users. The organization serves as an advocate to Oracle Corp. for companies worldwide and represents users of more than 65 Oracle Applications products including Oracle Fusion Applications, the Oracle E-Business Suite, Oracle's Agile, Oracle Hyperion, Oracle's Primavera EPPM, Oracle Communications, Oracle Customer Experience and CRM. The OAUG provides its members with education, networking and support via a wide range of activities and forums including conferences, publications, special interest groups and online communities. For more information about the OAUG, visit the website at oaug.org.
