Oracle Applications Users Group Introduces New eLearning Series

- Provides members access to information presented at the
OAUG Connection Point® — EPM/BI/EBS 12.X Conference-

ATLANTA – Nov. 21, 2013 - The [Oracle Applications Users Group \(OAUG\)](#), the world's largest knowledgebase for Oracle Applications users, announced the Best of OAUG Connection Point® — EPM/BI/EBS 12.X eLearning Series, which is offered to OAUG members from Dec. 3-13.

The 17-part eLearning series, divided among three core educational tracks, features live webinar presentations of the most popular sessions conducted during the OAUG Connection Point® — EPM/BI/EBS 12.X conference, which took place earlier this year in Washington, D.C. The three tracks include Oracle Business Intelligence, Oracle E-Business Suite 12.X and Oracle Enterprise Performance Management/Hyperion.

The Oracle Business Intelligence track includes topics such as *BI Publisher and E-Business Suite R12: The Basics of Customizing Delivered Templates* and *Customer Analytics Strategies for the Utility Industry and Lessons Learned for Other Industries*. Featured presentations in the Oracle E-Business Suite 12.X track include *The R12 Upgrade Surprises - What will Catch You Off Guard?* and *Release 12 Payments - The Centralization of Payment Processing*, among others. The third track, Oracle Enterprise Performance Management/Hyperion, includes *Integrated: The Key to Successful Performance Management* and *EPMA Tips and Tricks*, as well as several others.

“Providing the most up-to-date and extensive Oracle education to our members is the OAUG’s primary goal,” said Margaret Wright, president of the OAUG. “The Best of OAUG Connection Point® — EPM/BI/EBS 12.X eLearning Series educates those unable to attend the October conference but also offers a recap to those who did.”

For more information on the upcoming series, visit the [OAUG eLearning](#) website.
